

Information Sheet

for clients of Crypto Consulting AG

Information about Crypto Consulting AG

Crypto Consulting AG with domicile Seefeldstrasse 27, 8008 Zürich, is an unsupervised financial service provider. According to the Swiss Financial Services Act, Crypto Consulting AG must affiliate with a Swiss ombudsman's office within the legal deadline. The following employees are registered with Regservices, a Swiss client adviser register:

- DV02694 - Désirée Velleuer
- RS28234 - Reto Stiffler
- RS42746 - Raphael Suter

Swiss ombudsman's office

The protection and long-term satisfaction of our clients have top priority. Should complaints arise during our consultations, in a first step, please feel free to contact us at any time so that we can find a solution together for your request. If this does not succeed, you have the legal possibility of contacting the Swiss ombudsman's office for initiation of a free conciliation procedure.

We are affiliated to the following ombudsman's office: Finos Ombudsstelle, Talstrasse 20, 8001 Zürich

Cost information

In connection with financial and investment advice, costs and fees may be charged by Crypto Consulting AG as well as by third parties. These costs and fees are provided below. Questions on costs and fees will be gladly answered free of charge.

- Crypto Consulting AG receives a flat fee from SwissRex AG, Triesen LI for the distribution of SwissRex Crypto Fund
- Raphael Suter receives an incentive fee for his third party distribution service

Risk information

Please read the information provided carefully and contact us if you have any questions. The brochure "Risks involved in Trading Financial Instruments" can be obtained from the Swiss Bankers Association at www.swissbanking.ch.

- Crypto investments are associated with high risks, a total loss is possible

- The risks associated with the purchase of financial products are detailed in the Offering Memorandum which you will receive from Crypto Consulting AG ahead of a meeting.

Product Information

Information on the individual financial products is available from your client advisor. You have the possibility to inform yourself in advance on our homepage about our offer of financial products. Please note that Crypto Consulting AG does not recommend any product without prior testing of the suitability. Whether a financial product is suitable for you is determined by our individual customer analyses, which fully comply with the strict legal requirements. The legal requirements and customer protection are our top priority.

Conflicts of interest

Crypto Consulting AG takes the necessary precautions to avoid conflicts of interest in its business activities and to protect you from disadvantages. If a conflict of interest cannot be avoided, such conflict will be disclosed to you and the appropriate action will only be taken with your consent.
